

Dear Zontians,

Welcome to the 2020-2022 Biennium and the next century of Zonta International!

I know this year has presented many challenges for us as an organization and for our members, personally and professionally; however, I am looking forward to the future with optimism because of our strong Zonta community. As Zontians, we do not waver from our mission and meet every challenge with knowledge, dedication and kindness and most importantly with one another.

Thank you for your support and your dedication as we take on the theme of this biennium, "Transitions, Changes and New Opportunities."

As we were unable to meet in Chicago, I invite you to get to know me a little more through the video below. You will be hearing a lot from me over these next two years. Remember, I am still, just Sharon.

With best regards,

Sharon Langenbeck, Ph.D.
2020-2022 President
Zonta International and Zonta International Foundation
